

Registering for Research Units

What course number should you register for?

The chart below should be used to determine which course number is appropriate for the work you will be doing. This will be approved by an Academic Advisor. The hundreds place is determined by your class standing.

Course Number	Grading System	Description
199, 299, 399, 499 Independent Study	S, P, F,	Independent study is for students who are 1) performing routine tasks such as data entry or lab maintenance, 2) conducting internships <u>outside</u> of the university, or 3) doing directed readings/literature review. Students <i>do not</i> receive a letter grade for independent study credit; this credit is not calculated in your GPA.
299H, 399H, 499H Honors Independent Study	A, B, C, D, E	The EEB department requires these units to adhere to the honors policy for credit listed on the Honors College website, https://frankehonors.arizona.edu/ . The work must be demonstrably different work than a standard independent study for non-honors credit. The work should produce a product such as a paper or poster presentation. In order to receive this credit, you must state the product when submitting the proposal .
498H Honors Thesis Units	A, B, C, D, E	The EEB department requires these units to adhere to the honors policy for Honors Thesis units listed on the Honors College Website, https://frankehonors.arizona.edu/academics/thesiscapstone . Honors Thesis units are subject to an earlier deadline and more rigorous standards of student involvement than Honors Independent Study. Student must be making an intellectual contribution to the project. Prospectus must be approved by an EEB Academic Advisor.
392, 492 Directed Research	A, B, C, D, E	Students should be making intellectual contributions to an existing project or should be engaged in their own research. This <i>cannot</i> include kinds of experiences where the student is performing routine tasks or reviewing literature. In order to receive this credit, you must state the product when submitting the proposal .

How many times can I register for Directed Research/Independent Study? Independent Study may be repeated an unlimited number of times, and Directed Research may be repeated for up to 12 units; however only 6 units of Directed Research OR Honors Independent Study/Capstone credit may be applied to major elective requirements in the EEB department.

How many units should I register for? Students are expected to work a total of 45 hours for every 1 unit of credit (approximately 3 hours/week in a 15 week semester).

When is the last day I can add research units? Forms are due by the second week of regular session, the third day of 7 week sessions.

REQUIRED:

Please draft a project description including the following information to be used to determine appropriate course number:

- A brief description/summary of the project
- Techniques you will learn or utilize while working on this project
- The assessment/deliverable product such as a research paper, poster, presentation, etc. (graded units only)
- Any additional requirements set by Project Advisor

*The **Project Advisor** is a **faculty member** or contact person for internships off campus

*The **Secondary Advisor** may be a **post-doc or graduate student** which you will be working directly with; Not everyone will have a Secondary Advisor
