

6) You will be asked for your company domain

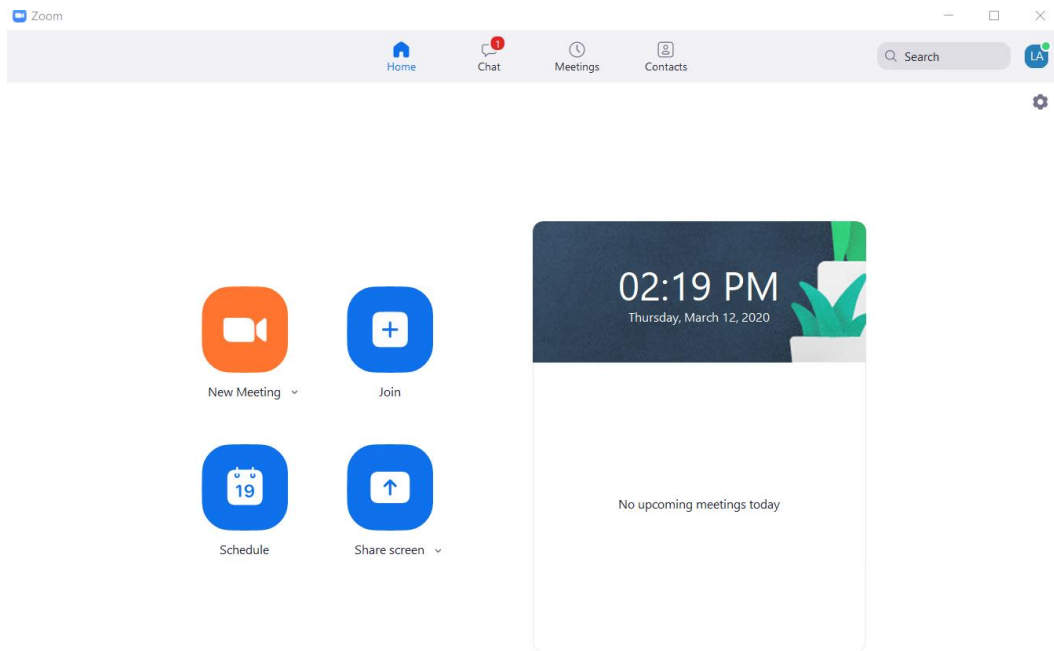

7) Type "arizona" into the text box, then click "Continue"

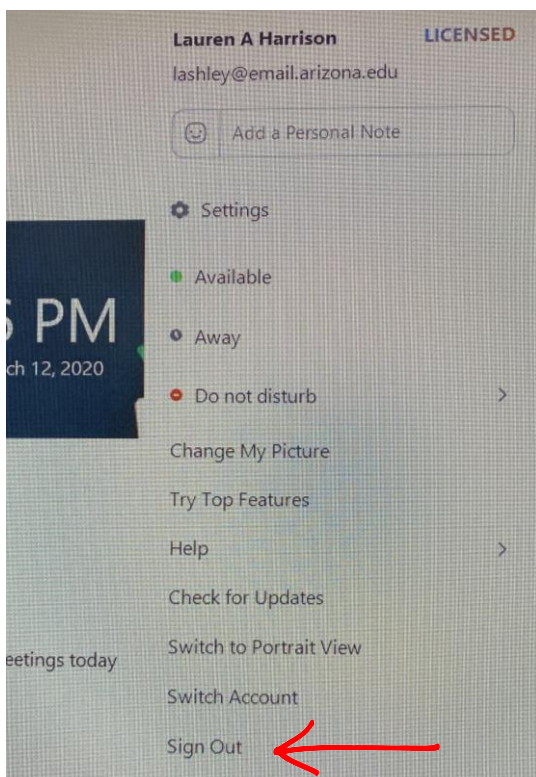

8) Next, click "Open Zoom Meetings"

9) You are now logged into your personal account on the Zoom app

10) Remember to “Sign Out” when you’re finished using Zoom. To do this, click on the box in the upper right corner (it will have your own initials...mine are “LA”) directly next to the search bar. Then “Sign Out”

11) There should now be a “Zoom” icon linked directly to your desktop

12) If you can't locate the icon, you can search your computer for the Zoom app and access from there
